

Sun Classic™

The stylish Sun Classic.

Retractable 10' projection awning, the Sun Classic is a classy awning at a very comfortable price.

Optional accessories such as; Cobra motorized crank, CMO motor with remote, support poles with anchorage plates will marvellously complete this high class awning.

The Sun Classic is fabricated all of aluminium and is offered painted in white or grey.

This awning was not designed to remain open in the presence of strong winds and rain. Only the Unicanvas fixed awning is designed for a seasonal installation.
