

Gazebo

Also available with the walls 2000.
10' x 10' and 10' x 15'.

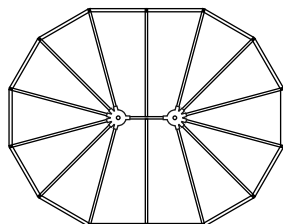

*The ultimate sensation of holidays,
day after day !*

- Walls 5000. Easy to maintain permanent PVC and aluminium structure.
- 5 mm glass windows.
- The included 33" aluminium door is made with a glass window in the top section and with white aluminium in the bottom section. Opens on the left or right side and opens towards the outside.
- Also available with the walls 2000 for certain sizes with the door # 1245084.

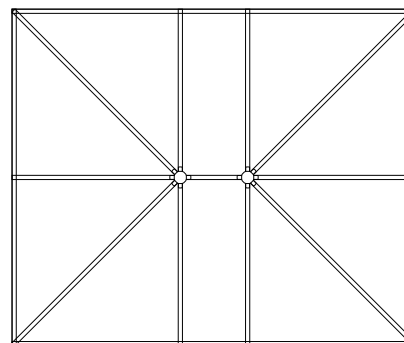

The Gazebo must be installed on a wooden or concrete platform. This platform **must be perfectly level** in order to assure a proper adjustment of the windows.
